SUB: LETTER OF RECOMMENDATION FOR OF CHINMOY TALUKDAR.

Dear Sir/Madam,

I am pleased to write a letter of recommendation for Chinmoy Talukdar (18-15-013), who is known to me for last one and a half years. Chinmoy is a 4th semester student of B.Tech (Computer Science and Engineering) at NIT Silchar, Assam.

I am having an opportunity of taking his class of “**Computer Architecture and Organization**” in the current Semester. There I found him sincere in his studies and observed his participation and interaction in class and evaluated his knowledge of the subject matter.

He is technically sound and has also conducted many technical as well as non technical events, at Institute level. Apart from this, he is doing real time projects such as Hostel Management System of NIT Silchar under my supervision. He has a good team spirit and this always committed towards the work assigned to him.

He has aptitude to research as well as learn and endeavor in new research and emerging areas. I highly recommend him for the internship at your organization. I have no doubts about his abilities and determination. Please feel free to contact me if you need any more details.
